FOR IMMEDIATE RELEASE

FOREST SERVICE CELEBRATES NATIONAL FISHING WEEK

PORLAND, April 3—"Family Fishing Fun" is the theme for this year's National Fishing Week June 4-10. In celebration of National Fishing Week, the Pacific Northwest Region of the U.S. Forest Service will offer free camping to coincide with free fishing days provided by the States of Oregon and Washington.

The Forest Service will offer free camping June 8 and 9 in most National Forest fee campgrounds. Oregon will offer free fishing June 9 and Washington will offer free fishing June 9 and 10.

In addition to free fishing and camping, approximately 40 fishing derbies will be held in both states. The derbies are designed to provide an opportunity for children to fish and have fun and provide a setting for family outdoor recreation activity. Most derbies will include fishing instruction, contests, games, prizes, and "fish" hats. The fishing derbies are sponsored by the Forest Service, the States of Oregon and Washington, conservation organizations, and local community groups and businesses.
